

36" Salamander Broiler Gas Counter Top reconditioned

36" Salamander Broiler, gas, counter top,
Dimensions: 36" x 25" x 20"
Unit is Propane

This is an older unit and the manufacturer's information is no longer readable. It is a heavy duty work horse that still has lots of life left.

This unit has normal wear and tear with some slight pitting on one of the end panels.

(This does not effect the mechanics of this unit)

Unit was disassembled, thoroughly cleaned, painted with high heat commercial grade paint, reassembled and tested. It is in great mechanical condition.

This unit is great for broiling, browning, caramelizing, glazing, grilling & toasting. It is ready to be put to use.
